

## Year 6 Camp is going ahead!

25 May 2020

### To Year 6 Parents and Caregivers

In Term 3, from the **16th to 18th of September 2020** all Year 6 students will have the opportunity to attend our Year 6 camp. The students will travel to Camp Adair in the Hunua Ranges and stay at the lodge for two nights and experience three days of outdoor adventure.

On **Thursday 4 June at 7pm** we are holding a camp information meeting in the school hall. To assist with physical distancing requirements, we ask that only one adult and child from each Y6 family attend this meeting.

There will be a short presentation at the meeting outlining the following:

- Camp activities
- Camp transport
- Camp Costs
- Camp location and facilities
- Catering
- Covid-19 Health & Safety
- Camp Parent helpers

Following the presentation there will be an opportunity to ask questions.

This camp is an important part of the Year 6 programme and the camp team is committed to working hard to ensure every student has the opportunity to attend this wonderful outdoor education experience.

Thank you for your support.
