

Transitional Arrangement for New School Zone 2023

In addition, the properties described in the addresses below and in the map (proposed area to be grandparented) below shall be deemed to form part of the home zone, provided a child residing at that address has a sibling who attended the school in 2022, and a sibling currently attends the school. When the family living at the address in 2022 ceases residing at the address, the property shall cease to be part of the home zone.
