Dear Parents and Whanau

It is wonderful to see all our students arriving back from holiday excited to embark on another learning journey. We hope everyone had a wonderful break .

We cannot wait to see you all at our Maths Open Morning on 16th August and Reading Open Morning on 6th September.

Towards the end of this term all of our Year 6 students will experience a three day camp as part of our annual Education Outside the Classroom (EOTC) programme. EOTC programmes provide students with access to hands-on experiences that are not available inside the classroom.

They offer unique and stimulating opportunities that support children's learning and achievement and are aligned with the National Curriculum.

Maths Open Morning

*This term we are holding a Maths Open Morning following the same format as last year's very successful open morning. The teaching team and students can't wait to share their learning. Please meet in the hall at **9.15am on Thursday 16 August 2018.***

Senior MOTAT visit

This term our senior students are investigating engines. This week all senior classes embarked on an exciting adventure to MOTAT (Museum of Transport and Technology). A huge thanks to all the parent helpers who gave up their precious time to support our children

Fit For Life

On Friday 29th June students all participated in our Fit For Life Day as part of the term 2 focus on developing fitness.

Throughout the morning our junior students participated with real enthusiasm in running, jumping and skipping activities. The Senior School displayed real perseverance during their cross country races.

They certainly loved powering through the mud..

It was again wonderful to see so many parents and whanau supporting our super athletes.

Year 4 girls: 1 lap	First Second Third	JoanFreda Levi Liliana Soon Etesa Suapaia
Year 4 boys: 1 lap	First Second Third	Lafaele Mikaele Danyaal Kannemeyer Vaughan Aisake-Peseta
Year 5 girls: 1.5 laps	First Second Third	Susan Lapana Adelphia Tavu'i Elizabeth Glassie
